

Home Team Sports Club Guidelines Agreement

No street shoes. I will bring a pair of gym shoes to use in the gym. The shoes I wear on my feet to get to the Home Team Sports Club are not the shoes I will wear on the gym floor.

No sideways or backwards hats. If I wear a ball cap, the bill will face front.

No distasteful clothes. My clothes will be free of profanity and antisocial messages.

No sagging or baggies. Underwear is UNDERwear. It should not be seen. I will wear my outer shorts or pants properly at my waistline.

I will be on time and attentive at the meeting to open each session. I understand that participation in the Home Team Sports Club requires attending the opening meeting.

I agree to follow and help enforce these guidelines:
